For some reason this picture demands top of the page status. :)

Welcome all and best wishes to you as we enter the Holiday season. How is everyone's "Thanksgiving" tank? Fat and filled? I love cooking and feeding LOTS of hungry people and we had 12 in our double wide! Had a blast! Recommended Reading: [The Light and the Glory by David Marshall](#).

Thank you Lord for you bountiful provision!

I write this as we head to Jolien's, our 20 year old's place in Coeur d'alene, Idaho for Cooper's 7th birthday party. She was pouting a few months ago because her big sister [born on the 4th of July] always gets fireworks on her birthday.... "I want fireworks, Mama!". she says to me. "Well, honey, you were born in November and it's cold then...sorry, but..." I say before I hone in on the calendar. [Coeur d'alene Resort](#), has a big parade, FIREWORKS and tree lighting ceremony the Friday after Thanksgiving to begin their "holiday season" [PS: 26 degrees and snowing for that event]. Well it just so happens... you guessed it. Falls on Cooper's birthday. God is good!! She's gonna be so happy, and she's getting a new kitten!

One happy birthday girl.

Special blessings abound in the hearts and lives of The Lord's people all across the world. The unmeasurable value of the in-dwelling Holy Spirit tops all treasures. We pray for the condition of our country now more than ever. We pray for lost souls now more than ever. [We welcome any of your prayer requests or concerns at any time](#).

How could you describe this?

Our newest CD project is coming along. We almost have a song list!! Some of us are working on arrangements for zippy little ideas. Another special song with Cooper will be recorded!!! Can't wait!! God is good!! Can't say that enough!!

If you'd like an interesting look at one of our journeys, [I have recorded a \(kind of long\) trip log and it is on our web site.](#) :)

I am totally against posting this, but I suppose I should be fair about things.

Thank you for your prayers of safety, health and provision. We feel them and are strengthened tremendously as we begin a time of ministry. Most every time we begin an event, no matter how we felt before, the Lord provides what we need.

God is good! always, no matter what.

Glenda
