

Well, it has been a while since I have taken the opportunity to write to you. A lot has gone on in my life both personally and spiritually since I last wrote so I will try to catch you up.

As most of you know I was to be married on August 30th. My fiancé called off the wedding 2 weeks before the wedding day. I do not understand all of the reasoning and not sure I ever will. Since then I have taken a job in Choteau, MT which required me to move. This move was one that I did not want to make. I say all of this to share what God is doing in my life through all of this.

I am realizing again that God in His word asks us to have faith in Him and trust Him in all things. He never promises to give us understanding of what He is doing, just simply trust. I think about Abraham, when he was told to take Isaac and sacrifice him. I am sure Abraham had no understanding of what God was doing but he simply had to believe that God had a plan to fulfill the promise He made to Abraham.

I do not know for sure what God has in store for me but I do know that He has a plan for my life. The words to the song "Stay Close To Me" I have been singing with the quartet these last few months have absolutely ministered to my heart. There have been many times since August that I have not known how to pray; I have not really had the words to express how I felt to God. So, I just had to pray "stay close to me as I journey

through the darkness of this great unknown". And even though there are times I feel like He is not there, at those times He sends some encouragement to me to help sustain me.

So, if you are going through a difficult time in your life and do not understand what God is doing remember Abraham. Remember that God is sovereign. He knows and wants the best for us and we just need to rest in His promise of love for us.

In His overflowing grace,  
Dana

We [minus Dana] met with our friends from the north, [Canada's Double Portion](#) yesterday for lunch. We had the pleasure of singing with them for a few days last year at the Milk River Jamboree in Malta, MT. Double Portion was singing last night in Kalispell, we stayed and enjoyed their performance and their spirit.

March finds us in:

- Choteau, MT - 3/6
- Shelby, MT - 3/8

#### Technical note:

*I am sure you have noticed a few different newsletter formats in the past few months. We are trying to nail down the best way of presenting these to you. We liked how the past few were but felt the cost was not using the money the Lord has given us, in its best ability. [Comments/suggestions are welcome!!](#)*
